We have had a full on term. All classes are going great and all the teachers at Show Dance are seeing amazing results with your child/ren. It is so great to see so many children taking part in so many genres of dance.

Dance Shop

As it is getting closer to the end of year concert, it is a good time to come to the dance shop which is situated up in the main dance hall, to see if there is anything you need. We sell new jazz, ballet and contemporary shoes and there are also second hand shoes for sale. We also stock leotards, Show Dance and Boys Crew Shirts. If you would like to sell your child's dance shoes please put the shoes in a clear zip lock bag with your name and contact number. There is no commission being charged for this and I'm happy to assist in recommending a sale price.

Special performance- High Tea , Conference and Payne Rd Family Fun Day

We have been asked to perform at three major events this year. We have put together a performance team of 30 who are all very excited about these events. The first one is the QCAN conference which is all the outside school hours care leaders in Queensland. We have been asked to start their conference up with a bang. Our second performance is for 'Shouldering the Journey,' a High Tea raising funds for adults with Autism. Unlike the conference you can buy tickets for this event. If you would like more information please feel free to email me and I will send you an invitation. Our third performance is at Payne Road State School. This performance will be done with our 11-12 years hip hop class.

Fees

Fees are due now. Payment at your earliest convenience would be greatly appreciated. Please contact if there are any problems with paying.

Please keep an eye on our website and Facebook page for any extra information that may pop up throughout the term.

Photo Day

Last year photo day was such a blast. We will be doing it again on Saturday the 18th of October. Times and more information are below.

End of year Concert and Rehearsal

We have exciting news about the location of the concert this year. It will no longer be at The Gap State High School, as we have relocated to **Stuartholme**. The rehearsal will be under 1 month before the concert. After consultation with lots of families, staff and students, and taking into consideration the growth of the school, we will now have the opportunity to perform our concert twice in air-conditioned comfort. We understand that this is a big ask for 3-6 year old students, so they will only perform in the daytime concert. There will be a concert at 12.30pm and another one at 6.30pm. Please feel free to message me about any queries you may have. There will be more info later in the term with the times that your child/ren will be required.

Could you please email me if your child/ren are not going to take part in the concert as we are starting to buy costumes. They can still take part in the class and learn the routines.

All information regarding times for photo day and concert are below.

Thank You, Miss Cheyene and Staff

The next few pages are about the end of year concert. Dates are above.

This includes:

- Photo times
- Rehearsal order/ information
- Hair and Make up

Please read through and if you have any question please feel free to call me.

You will get another email about the concert in the school holidays regarding costumes and ticket sales.

We are also looking for parent helpers for both concerts. If you would like to help please come and see Cheyene.
